

Trust Crypto Pay

www.trustcryptopay.com

What do you think about where the bank will earn money?

FEE

How VISA and Mastercard receive the income?

mastercard.

In this part we explain how this market will value million of dollar and how it will change in this period and will be a revolution

2.8 billion of people make the digital payment (internet) and with shops (with card or mobile phones)

180 billion of dollar will be transacted every day online, it will make with bank transfer or electronic payment.

70 million of people are involved with the new Economy with the Cryptocurrency that it will move 10 billion of dollar every days.

In every transaction there is a fee (commission)

Fee From 0,10 \$ to 3 \$ to make a transaction of 100 \$

**The New Economy has
started and
Cryptocurrency is the
new method of payment**

The problem for the Cryptocurrency for Now

- It is hard to utilize
- Little adoption
- High conversion costs into traditional currency
- There are fake details about it
- 90% of the projects are a scam or it will not work correctly
- High speculation
